

Annual Report Summary 2018 - 19

UKPHR continues to drive benefits for public health professionals

Revalidation

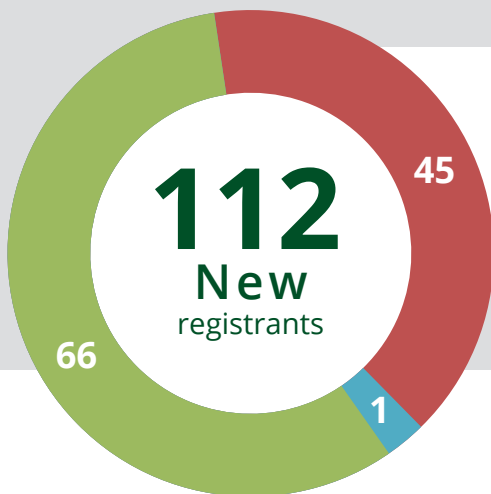

In 2018 we finalised the revalidation scheme for specialist registrants

Portfolio Assessment

The launch of a new portfolio assessment route for public health specialists

Practitioner Registration Review

The first review of practitioner registration has been carried out during 2018

- Specialists
- Specialty Registrar
- Practitioners

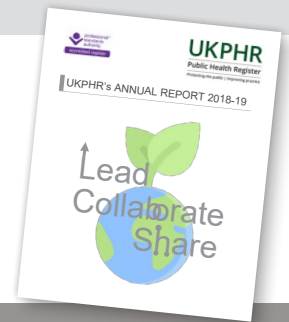

We continue to grow

UKPHR relies almost entirely on registration fees to support the valuable work we offer the public health sector

We are delighted to see the practitioner scheme operating in all parts of the UK

Summary
SNAPSHOT

£307k
Total income

1314
Total registrants

112
New registrants

UKPHR would like to extend our gratitude to all practitioner registrants, practitioners working towards registration, assessors and verifiers, mentors and all scheme coordinators and their support networks, including management bodies and stakeholders, for their support and co-operation in all aspects of our work to ensure a robust and devolved practitioner registration process.
